FAQ:

***Can we pay a drop-in fee?** Unfortunately, no. Just as our academic year is based on an upfront tuition system, summer classes are charged based on a single tuition fee for the entire block of classes. This is necessary for us to ensure that we have enough students to run the class.

***We are out of town for one week/one day during the month. Can we pro-rate?** Pro-rated discounts are available at the discretion of the Business Manager and Artistic Director, but are dependent upon overall enrollment numbers. Please see Maria when you register in order to receive a pro-rated tuition fee. No changes can be made after June 2/ July 7.

***When is tuition due?** Tuition is due in full by June 2/July 7. A tuition deposit of at least \$25 is due at the time of enrollment. Enrollment is filled on a first-come, first-served basis.

***Are there any more classes?** Want additional classes? TELL US! We are working on adding additional technique levels and dance genre options throughout the summer, and your input is a valuable voice in helping us determine what and when to schedule! Please email us at director@factorystreetstudio.org
